11:00 – 12:00 BST:
Ever thought about becoming a
Financial Advisor?
Program Specific

50,000 new advisers needed. There's never been a better time to become a Financial Adviser.

Today there are more than 12 million people who have between £50,000 and £5 million of investible wealth. St. James's Place believes demand for advice is only set to grow from here due to:

An increasingly ageing population whose financial affairs tend to become more complicated with time.

Increased need for people to save and invest as governments and companies step away from providing for individuals in retirement.

Expected billions due to change hands as part of inter-generational wealth transfer over the next 20 years.

Whatever your career background and experience, the career change programme is a fantastic opportunity to start a new flexible career. No qualifications or financial experience is required. At the event, as well as hearing from the SJP team you will hear from someone who has been through the programme and now enjoys flexibility and autonomy.

Fully funded training programme available.

Join SJP to explore these opportunities.

13:00 – 14:30 BST:
The Meeting Place with Vicky Ross

A virtual drop-in to share, network, explore and engage and as such breakout rooms will be included. This session is designed to encourage you to share thoughts, experiences, hints and tips with likeminded people around your career journey so far. It doesn't matter where you are in your programme of support - start, middle or close to the end - talking with people going through the same experience may help you to have that light bulb moment you've been looking for or quite simply validate the decisions you have made.

We aim to create a safe and confidential space for you to get to know some of your peers, engage, create contacts and come away with tangible steps. Vicky Ross will be facilitating this interactive session. Please ensure you have the LinkedIn App downloaded on your phone if you would like to connect with others on the session during this event.
